## Operation Newstart Graduation

Congratulations to Mahmoud Salma 9C, Anita Marcon 10A and Emma Hart 9A.

The 3 students from our school participated in the Operation Newstart which is a program run over all of term 2 with students attending school 2 days each week and 3 days on the program.

Operation Newstart is an innovative re-engagement program for young people aged 14-17.

Operation Newstart re-engages young people with their families, schools and their communities. They do this by assisting them to recognise their strengths and helping them to build their resilience, respect for themselves and others and building their self-esteem through achievement.

Some of the achievements completed were:

- outdoor/adventure-based activities,
- work place visits,
- problem-solving,
- skill-based activities
- therapeutic group work with parent involvement.
